GOP Data Center  Pulsar  Both

The Republican Party of Arizona, LLC (“AZGOP”) in conjunction with the Republican National Committee (RNC) will maintain a statewide, internet-accessible registered voter file database for use by various AZGOP organizations and other expressly authorized users.

**AUTHORIZED USERS:**

Authorized Users are those organizations and individuals who have requested and received express permission from the AZGOP to obtain a password to be used for access to GOP data tools. Access will be issued by the AZGOP for set period of time and must be renewed by the reader. **Accounts may not be shared with other users or non-users unless expressly authorized by the AZGOP in writing.** Failure to comply with any GOP voter data agreement policies in this document or the user agreements within the GOP Data site will subject users and or organizations to immediate suspension or revocation of GOP data tool privileges.

**PERMISSIBLE USAGE:**

It is understood that the information contained in GOP data tools may be used for any legal purpose that may reasonably be categorized as both non-commercial and political. Under no circumstances shall any information incorporated in GOP data tools be used for commercial purpose. **Under no circumstances shall any information contained in GOP data tools be sold to any party.** Failure to comply with any GOP voter data policies in this document or the user agreements within the GOP data tools site will subject users and/or organizations to immediate suspension or revocation of GOP data tools privileges.

I, \_\_\_\_\_, agree to the provisions listed in this document as a requirement for access to the GOP voter data tools. Should I break any part of this agreement, I understand that the AZGOP may suspend or revoke my GOP voter data tools privileges. In the event the AZGOP is held liable for damages due to my breach of this agreement, I will indemnify the AZGOP and understand the AZGOP shall have the right to hold me liable for any damages that arise out of such breach. Furthermore, I hereby pledge that I am a registered Arizona Republican and intend to remain so. Finally, I pledge that if working and/or volunteering for candidates for elected office, I will use GOP Data Center only for Republican candidates for office (this may include Republican candidates running in non-partisan races).

I need GOP voter data tools access because (check and complete all that apply to get appropriate access – if

you are a “representative” of someone, please attach a signed letter from that person stating you have authorization): \_\_\_\_\_
