Jack Clark, candidate for MCRC Secretary, is a loving husband, proud father, and an enthusiastic patriot. After serving in the United States Navy during the first Gulf War, Jack spent almost 10 years in the biotech industry before transitioning to education, serving as a high school math and science teacher and STEM education administrator. Jack and his family have lived in Maricopa County for 15 years with strong ties to the community for four decades.

Since leaving education in 2015, Jack has been active in Arizona politics, serving as a PC, Treasurer, Secretary, and State Committeeman representing LD15, a member of both County and State party bylaw committees, as well as Assistant Secretary and Secretary of the State party. Jack most recently served as Voter Registration Director for the Trump Victory Campaign.

These experiences, both professional and political, have prepared Jack to serve as an elected party leader in one of the most important Republican counties in America. Focusing on his experience directing voter registration efforts in Arizona during the 2020 election cycle Jack is prepared to use his skills in building relationships, data analysis, and strategic planning to help focus Maricopa County Republicans on preparing for the 2022 midterm elections and beyond.

Maricopa County accounts for over 60 percent of Arizonas' population, it is of paramount importance to Arizona, and America, that it remain red. With your support, Jack is confident that Maricopa County Republicans will lead the state in successfully taking back the U.S. Senate seats and growing the number in the House.

The next several election cycles are crucial for Republicans and Jack is not only capable of, but determined to lead by example and help achieve success for Maricopa County.
