

Jason Cvancara Candidate for MCRC 2nd Vice-Chairman. I have been active in politics for over 10 years having ran for public office, helped various local and state campaigns, operate a political podcast and currently serve as a state and precinct committeeman in LD12. I have strong connections with various areas of Maricopa County which were gained from serving as a Police Officer with the City of Phoenix, serving in the Air Force Reserves at Luke Air Force Base and currently own several small businesses based out of Mesa that provide services all over the county. In addition, I have served in leadership roles with various boards and commissions and have earned several community involvement based awards.

As a party, we need to do more in terms of outreach and education to strengthen our chances of winning local, state and national elections. As 2nd Vice-Chairman I plan to do this by working with others to create groups more focused on specific topics such as Public Education, Second Amendment Rights or Foreign Policy, groups focused on specific tasks such as voter registration and groups focused on volunteer work within the community so we can connect with those would otherwise not be interested in politics. We win elections by working together and communication is key. As your 2nd Vice-Chairman I will always be available to discuss ideas that will make us stronger. Call or text me at [480.532.8311](tel:480.532.8311) or via email at cvancaraj@hotmail.com.
