

LINDA BRICKMAN

This election is “all about the PC’s” and restoring the Sovereignty of the MCRC.

I’ve been actively involved in conservative political issues, candidate campaigns, grassroots referendum; I’m a PC, SC, Certified Deputy Register, County Elections Inspector, MCRC & AZGOP MAL, 2016 National Delegate to GOP National Convention and Rules Committee Member; and I’m your 1st Vice Chairman.

On 11/12/20, I assumed the duties of MCRC Chair: on 11/17/20 I sent a Demand Letter to the BOS to conduct an investigation, audit and manual recount of Only Legal Votes; on 11/18/20 I DENIED CERTIFICATION of the Dominion machines/software; and on 11/30/20 I testified at the Legislative Hearing on Elections Fraud (“Lady in the White Hat”).

My 6 Point Platform FOCUSES on:

- Local PCs FIRST!
- Develop “bottom-up” precinct relationships; work on local elections for critical School Board and Cities elections that directly impact our lives.
- More transparency, better messaging/website postings on important MCRC matters.
- Provide easy to use compelling Messaging/Content for PC sharing in their precincts.
- Provide PC Guidance, Tools, Leadership & Training for voter registrations; PC recruitment; PC participation in local governing policies/influencing votes, in redistricting process, in elections as workers/observers trained to STOP Ballot-Election Fraud.
- Restore MCRC/PC programs and duties taken over by the State and RNC in 2020, and along with LD Chairs improve overall PC Growth and Success.

I’m a Paralegal, legislative lobbyist (2 National Security Bills passed AZ Legislature & signed into law); own a sales & marketing business; and write Children’s Books.

I have the skills, experience and background to help revive the MCRC and lead you, the PCs, into our battles for the sovereignty of Maricopa County, Arizona, and the Constitutional Republic of the United States.

That’s why I’m running, and why I’m asking for your vote to elect me as MCRC Chairman. Thank you.
