

TO ALL PCs:

Subject: PC Remote Online Option Email for the Statutory Meeting

The Statutory Meeting Call letter for January 9th mentions we'll have a "Remote Online Option" for PC viewing the event from home and **remote** voting, instead of attending or giving a proxy, if you're sick/not feeling well/have a fever, are taking care of family members with Coronavirus issues, or if you're in a high-risk group with co-morbidities.

To sign-up for the Remote Online Option, please complete the Form below.

Please note that your attendance either remote, by proxy, or live will all be counted towards establishing our Quorum for the meeting. However, by signing up for the Remote Online Option, you'll be waiving your right to participate in certain activities that only those PCs attending live can participate in, including, but not limited to: Making motions, participating in any debate, voice voting, carrying another PC's proxy, giving your proxy to another PC, etc. That said, you will be voting on all items that officially appear on the Ballot via Simply Voting.
