TRISTAN MANOS FOR MCRC CHAIRMAN

tristanmanos3@gmail.com

Born and raised ten miles from historic Independence Hall in Philadelphia, Tristan moved to sunny Phoenix in 2001. His interest in understanding how things work drove him to major in Industrial Design at Ohio State, serving as student chapter president of the Industrial Designer's Society of America.

An MCRC Precinct Committeeman since 2012 and two-term Member-at-Large, Tristan is grateful for the opportunity to serve and represent fellow PCs (We The PCs serving and representing We The People), taking a special interest in good government, the rule of law, and election integrity (presently serving as Chairman of the MCRC Election Integrity Committee). The spirit of the Declaration of Independence, the rightful understanding of the original meaning of the Constitution and Bill of Rights, and promoting the Republican Party Platform are all reflected in Tristan's commitment to The American Way, America 1st, Americans 1st, and The American Dream for Americans 1st.

Tristan is a strong believer in the power of faith in God, family unity, personal liberty, and free people interacting freely in free markets. He lives in Phoenix and runs his own business as an Internet Presence Specialist.

—Hold monthly one-hour MCRC EGC meetings followed by one-hour PC Town Hall Meetings, Trainings, and Workshops.

—Produce a PC Handbook and establish an MCRC Platform.

—Maximize PC Recruiting, Empowerment, Communications, Resources, Fundraising, and GOTV (Get Out The Vote), including proven strategies on how to be the best PC you can be.
