

Eric Morgan is a passionate Arizona First activist who is a physicist, husband, and proud father of three conservative kids and who is running for 1st Vice Chair of Maricopa County Republican Committee. Eric has lived in Arizona for 29 years and knows in his heart that Arizona is a RED state, filled with conservatives who share our values. Focusing on empowering YOU, the Precinct Committeemen of Maricopa County, Eric will train, coach, and mentor PC's so that YOUR voice is the powerhouse that transforms our state. Eric knows that it will take leadership from PC's working to re-instill American principles in neighbors and communities. And by motivating others, PC's will have the greatest influence on our election outcomes. Eric knows our election process is seriously broken. He was one of two, first-ever party observers inside Runbeck's operation and saw serious concerns that must be addressed and fixed. As 1st Vice Chair, Eric's unique knowledge of procedures and processes will help the County use its voice and influence to make the necessary changes. For 14 years, Eric has been honored to be elected by his LD to lead as Chairman of LD 4, LD22 and now LD27. His depth of experience as an LD Chairman will be an invaluable resource to the County. Eric is a pro-life, pro-liberty, pro-gun, pro-borders conservative warrior whose sole focus has been to empower PC's with resources to have influence in the community. Eric is a physicist and engineering manager for Intel who is driven to keep Arizona RED. As your Maricopa County 1st Vice Chairman, Eric will apply his experience as a process-driven engineer to empowering YOU and fixing our broken elections. Please vote for Eric Morgan!
