

Jeff Greenspan grew up in central Phoenix, attending Madison 1 and Brophy College Prep. Jeff graduated from the University of Pennsylvania with a degree in Economics, joining a Big 4 consulting firm out of school. Jeff moved back to Phoenix in 2002 and has been working as a healthcare industry professional the past 15 years.

Jeff was elected PC in 2002 and served as PC until 2011. He served as 2nd Vice Chairman of the MCRC from 2008-2011, having been endorsed by Joe Arpaio in 2008 as part of the Constitutional Conservative slate. In 2012, Jeff was blackballed by the McCain faction who spent Democrat donor money to do mailers and autodialers into Jeff's precinct to defeat him. Jeff was successfully reelected as a PC in 2022.

God works in mysterious ways. During the 10 years he was not a PC, while Jeff remained civilly active, helping in every election, Jeff got married and had the pleasure and privilege to raise 3 beautiful children. Politics is simple. Support your principles, show up, work hard with your fellow PCs, friends, and allies and win. That's how it works when elections are fair. They have not been, beginning with the 2018 election when in Maricopa county votes were no longer reported by precinct workers with representatives from all parties in agreement. Since 2018, all ballots have been sent to be counted by the government behind barbed wire on unauditible systems. This is unacceptable and must change. Together we will change it.

As a party we must message freedom and prosperity vs tyranny and government dependency which destroys prosperity, income and our currency. We must focus on self-governance and national self-reliance. Never give up. Never give in. Never compromise our Republican principles. Please do not hesitate to contact Jeff anytime at jeff.greenspan.mcrc@proton.me
