

Tatiana Peña is a native Arizonan Latina Constitutional conservative, educator, musician, and mother who's passionate about growing the Republican Party in Arizona and protecting the American Dream. Seeing what threats Arizona is facing, and Maricopa County being at the center, she has decided to step up to the next challenge to fight this threat by volunteering to run for the Maricopa County Republican Committee's 2nd Vice Chair.

Tatiana offers a diverse and new perspective that our party needs. She lives in the same community she grew up in, South Phoenix, where many immigrants, latino, black, and other minority groups heavily populate. She understands that the Republican Party will need to change strategy and methods to effectively grow and win the hearts of Arizona voters.

Tatiana is well educated with both a bachelor's in education and a Master's in Public Administration. She is trilingual- English, Spanish, and German. She has been a precinct committeeman since 2017, has served previously as a 3rd Vice Chair in an LD Board, has been a State Committeeman since 2018, is currently an AZ GOP Member-At Large, and has run for State Representative both in 2020 and 2022. She has walked miles through neighborhoods, knocked thousands of doors, recruited many precinct committeemen, recruited candidates to run, volunteered in multiple campaigns, helped bring in the 2020 South Phoenix Latinos for Trump office as well as the 2022 South Phoenix RNC Hispanic Outreach Center, registered many voters, organized community service events, has been a Spanish speaking spokeswoman for Republicans.

As your MCRC 2nd Vice Chair, Tatiana will serve passionately and with determination to make changes in election integrity, messaging, strategy, trainings, activities, outreach, and results for the MCRC. On January 14, 2023, make sure to vote Tatiana Peña for 2nd Vice Chair of the MCRC.
