**GOP DATA CENTER ACCESS AGREEMENT**

**REPUBLICAN PARTY**  
— ★ ★ ★ ★ —  
**OF ARIZONA**

The Republican Party of Arizona, LLC (“AZGOP”) in conjunction with the Republican National Committee (RNC) will maintain a statewide, internet-accessible registered voter file database for use by various AZGOP organizations and other expressly authorized users.

**AUTHORIZED USERS:** Authorized Users are those organizations and individuals who have requested and received express permission from the AZGOP to obtain a password to be used for access to GOP Data Center (“Data Center”). Access will be issued by the AZGOP for set period of time and must be renewed thereafter. **Accounts may not be shared with other users or non-users unless expressly authorized by the AZGOP in writing.** Failure to comply with any GOP Data Center policies in this document or the user agreements within the GOP Data Center site will subject users and or organizations to immediate suspension or revocation of GOP Data Center privileges.

**PERMISSIBLE USAGE:** It is understood that the information contained in GOP Data Center may be used for any legal purpose that may reasonably be categorized as both non-commercial and political. Under no circumstances shall any information incorporated in GOP Data Center be used for commercial purpose. **Under no circumstances shall any information contained in Data Center be sold to any party.**

**AMENDMENTS:** AZGOP reserves the right to update and amend this policy as is deemed necessary. All updates and amendments shall be considered retroactive to the original implementation date of this signed agreement.

I, \_\_\_\_\_, agree to the provisions listed in this document as a requirement for access to the GOP Data Center system. Should I break any part of this agreement, I understand that the AZGOP may suspend or revoke my GOP Data Center privileges. In the event the AZGOP is held liable for damages due to my breach of this agreement, I will indemnify the AZGOP and understand the AZGOP shall have the right to hold me liable for any damages that arise out of such breach. Furthermore, I hereby pledge that I am a registered Arizona Republican and intend to remain so. Finally, I pledge that if working and/or volunteering for candidates for elected office, I will use GOP Data Center only for Republican candidates for office (this may include Republican candidates running in non-partisan races).
