Re: Public Records Request - Voter Registration File, Ballot Affidavit Envelope Images

Dear Records Custodian,

Please provide my complete voter registration file. Please include images of all voter registration forms, any forms retained from any elections, and stored images of signatures from any source.

Please also include images of all ballot affidavit envelopes (envelopes) received for my VOTERID for all previous elections. If more than one envelope was received during any election, please include images of all envelopes regardless of whether they were accepted or cured. Please indicate the PIECE-ID for all envelope images.

Please provide responses in digital format, in the highest resolution available. Since this is my information I am requesting, please deliver all documents without redaction.
