

## 2025 MCRC Statutory Meeting Bylaw Amendments Passed

4. M.A.L. Election Process	<b>Article IV – Nominations &amp; Elections</b> <b>Section 2 – ... of MCRC Officers</b> <b>Subsection C.2.c – Members At Large</b>
Strike out "procedures shall be repeated until all offices are filled." and insert "remaining MALs shall be elected by plurality on the third ballot".	
In the event that all of the offices are not filled on the second ballot, the <del>procedures shall be repeated until all offices are filled.</del> <b><u>remaining MALs shall be elected by plurality on the third ballot.</u></b>	
<b>Rationale:</b> This amendment limits the number of rounds of balloting to no more than three.	

10. Bylaws Committee Schedule	<b>Article VIII – Committees</b> <b>Section 1 - Bylaws Committee</b> <b>Subsections B and C(new)</b>
Strike out Art. VIII Sec 1.B.3. Insert (new) VIII Sec 1.C (shown below).	
<del>The Bylaws Committee will meet at least two times, with at least 30 days between the first and last meeting.</del> (new) <b><u>VIII Sec 1 C. Proposing Bylaws: All bylaw amendment proposals not initiated by the Bylaws Committee must be submitted no less than 45 days in advance of the meeting at which they will be considered.</u></b>	
<b>Rationale:</b> This amendment makes the Bylaw submission deadline consistent with the Resolutions submission deadline. The 30-day gap between meetings is unnecessary, and, during election years, in order to get bylaw proposals to the call letter committee in time for mailing, requires the first meeting of the committee to meet during general election season when we need to focus on <i>important election activities</i> .
