Maricopa County Republican Committee Mandatory Meeting

Honorable Precinct Committeemen:

This is your Official Notice of the 2026 Maricopa County Republican Committee (MCRC) Mandatory Meeting. The meeting will take place on Saturday, January 10, 2026, at Dream City Church, 13613 N. Cave Creek Rd. Phoenix, AZ 85022. The meeting will be CALLED TO ORDER at 8:45 am.

This meeting is being called pursuant to MCRC Bylaws Article V Section 2 to elect five (5) Members-at-Large (MALs)—and to consider proposed MCRC Bylaws Amendments and Resolutions.

Credentialing is open from 7:30 am to 8:45 am. You will be required to show identification (Photo ID) when you sign in at your Legislative District (LD) table. If the address on your Photo ID does not match your voter address, then please bring a current utility bill with the address that matches your voter address. **Lines are formed alphabetically, at your LD table, based on your Precinct Name, not your last name.** We are expecting a large crowd, please arrive early.

Credentialing will be completed outside the venue, so please dress appropriately for the weather. (If there is inclement weather, credentialing will be moved inside the venue.) Doors to the Lobby open at 8:00am for those credentialed.

If you are not available to attend the meeting, you may complete the enclosed Official Proxy Form and send it with another Republican Precinct Committeeman (PC) from within your precinct. A PC is only allowed to carry one proxy.

If you are carrying a proxy, you must go to the Proxy Verification Table **BEFORE** going to your LD Credentials Table. The Proxy Verification Table will be located outside near the credentials area. All Proxies **MUST** be completely filled out and witnessed **BEFORE** you approach the Proxy Verification Table. Any blanks on the proxy form will render the proxy invalid. After your proxy is verified, proceed to your LD Credentials Table.

Due to space limitations, attendance is restricted to eligible precinct committeemen, meeting committee volunteers and invited VIPs. Attendance by any other guests must be specifically authorized by the County Chairman.

Breakfast Food Trucks will be outside prior to the start of the meeting and lunch Food Trucks and Chik-fil-A will be outside from 10:30am to 2:00pm. No food or drink (except water) is allowed inside the venue.

RULES OF THE MARICOPA COUNTY REPUBLICAN COMMITTEE

JANUARY 10, 2026 MANDATORY MEETING

RULE I — DEBATE: No member may speak on any pending question longer than one minute. After a voting member has spoken once on a pending question, he or she may not speak again on the same question unless debate has not been exhausted and no other members desire to speak. No voting member may speak more than twice on any question. There will be a maximum of four speakers allowed for each side of the debate for a maximum of eight speakers in total. Any motion to extend debate is out of order.

RULE II — VOTING MEMBERS: Elected and appointed Precinct Committeemen per MCRC Bylaws (Article V Sec. 2B). Pursuant to MCRC Bylaws Article IV Sec. 2(D)(2), votes may only be cast by registrant and may not be passed on to any other person. If departing before adjournment, member credentials, including Voting Card and unused ballots, if any, must be surrendered upon leaving the meeting.

RULE III — PROXY VOTING: Pursuant to MCRC Bylaws (Article IV, Sec. 3D), no precinct committeeman shall carry more than one proxy. Per MCRC Bylaws (Article IV, Sec.3), the proxy must be carried by a Precinct Committeeman from the same Precinct as the voting member.

RULE IV — VOTING METHODS: In addition to the traditional voting methods, use of Voting Cards is also authorized.

RULE V — CAMPAIGN SPEECHES: Each candidate will be entitled to a campaign speech not to exceed a total of two minutes. Each candidate may speak for all or part of the two-minute period or may choose others to speak on their behalf. In no event will the total time allotted to any candidate exceed two minutes.

RULE VI — BALLOTING: Per MCRC Bylaws (Article V, Sec. 6A), contested elections shall be conducted by paper ballot. The Credentials Committee shall keep the roll of the voting members qualified to vote. Only those ballots distributed by the Credentials Committee shall be accepted for tally. Election of Members At Large shall be as specified in Article IV Section 2.C of the MCRC Bylaws. On a given ballot, Voting Members may not vote for more than the number of remaining unfilled MAL positions.

RULE VII — ELECTION OBSERVERS: Each Candidate or his designee may observe the credential process and enter the Tally room to observe the tally process, but shall not photograph, record, or physically handle credential or election materials or interfere with the credentialing or tallying process. No others, except the designated observers, Tally Committee, and Security, may enter the Tally room.

RULE VIII — TIE BREAKER: In the event of a tie among candidates for one or more unfilled positions, the tied candidates shall be ranked by random drawing of the names. The first name drawn is ranked highest, with each successive name drawn ranking one position lower. The unfilled positions are filled by the highest ranked candidates until the positions are filled.

RULE IX — RECOUNTS: No motion for recount will be in order unless the vote count difference between candidates or ballot measure's passage or non-passage is one-half of one percent or less of the total ballots cast for that office or ballot measure. The Credentials and Tally Committee chairs will be the determiner of the vote count difference and percentage.

RULE X — AMENDMENTS TO THE BYLAWS: Only amendments to the Bylaws put forth by the Bylaws Committee or submitted by the EGC or a District Committee and that were included in the Call will be in order. No amendments or changes to a proposed amendment will be heard or considered to be in order at any time. Voting on the amendment to the Bylaws will be by ballot. Per MCRC Bylaws, Article XII: The effective date of bylaw amendments is the adjournment of the meeting where they were adopted.

RULE XI — RESOLUTIONS: Any resolution not previously presented to the Resolutions Committee (Article VIII, Section 4.C) or any resolutions presented to and rejected by the Resolutions Committee may be brought to the floor only if the resolution is sponsored by no fewer than one hundred PCs present and representing at least six Districts (Article VIII, Section 4.D). The resolution must be presented in writing to the Chairman of the Resolutions Committee or designee at the side of the stage before the meeting is called to order. Each resolution, unless put forth by the Resolutions Committee and included in the call for the Mandatory Meeting, shall be submitted in sufficient copies for each voting member present to receive a copy. No amendments or changes from the floor to a resolution will be heard or considered in order at any time. Voting on the resolutions may be conducted by voting card at the discretion of the presiding officer.

RULE XII — GUEST ATTENDANCE: Due to space limitations, attendance is restricted to eligible precinct committeemen, meeting committee volunteers and invited VIPs. Attendance by any other guests must be specifically authorized by the County Chairman.

RULE XIII — RECORDS RETENTION: Upon approval of the Credential Committee's Final Report, all credential documents (LD sign-in sheets, Proxies, and undistributed packets) shall be placed in secure containers, sealed with security stickers or zip ties. Once sealed, the Credential documents may not be re-opened during the meeting except by a two-thirds (2/3) vote. At the close of the meeting these records shall be turned over to and retained by the MCRC Chair. At the close of the meeting, all remaining records, including cast ballots, spoiled ballots, and unused ballots shall be placed in secure containers, sealed with security stickers or zip ties signed by the Tally and Credentials Committee chairs, then turned over to the MCRC Chair who shall maintain chain of custody of these records. Per the MCRC Bylaws (Article IV, Section D), these records are to be retained for three months from the conclusion of the meeting. Thereafter, the documents shall be securely destroyed within 14 days, as witnessed by two other members of the Executive Board.

8 PROPOSED BYLAWS AMENDMENTS TO BE VOTED UPON BY PCs

<p>1. PC Active Status</p>	<p>Article II – Members Section 2 - PCs Subsection F (new)- PC Active Status Also - Definition #16 and #17</p>
----------------------------	---

Insert new Subsection F and Definitions #16 and #17 as shown below.

1. Purpose: To ensure that control of the Party remains with members who are actively engaged and to prevent the use of proxies (where District bylaws permit proxies) from inactive or absentee members to dominate meetings or elections.

2. Active Participation Required

- Every member begins in Active status.
- A member automatically becomes Inactive if they miss three (3) consecutive District meetings. Inactive status takes effect immediately upon adjournment of the third consecutive missed meeting.
- An Inactive member is not permitted to vote. Therefore, an Inactive member's proxy may also not be voted.
- A member can become Active again after attending two (2) consecutive District meetings and is therefore eligible to vote or use a proxy (where District bylaws permit proxies) at the third meeting attended.

3. Certification, Record-Keeping, and Challenge Process

- (a) The District Secretary shall maintain accurate attendance records and publish an up-to-date list of Active members to be sent in the call before all District meetings.
- (b) Any member may challenge the active status of any other member (including the proxy holder) up to the start of the meeting. Challenges are decided immediately by majority vote of the body.
- (c) If a member is ruled Inactive, any proxy they granted is void and may not be voted.
- (d) Any member may inspect the attendance records upon request.

Also add to DEFINITIONS on page 1.

16. "Active" members refers to a member who regularly attends District meetings and has not missed three (3) consecutive District meetings.
17. "Inactive" members refers to a member who does not regularly attend District meetings and has missed three (3) consecutive District meetings.

Rationale: Meetings are critical to stay involved and this will instantly stop the business of “paper PCs” and people signing up tons of inactive people just to harvest their proxies and manipulate votes and elections.

<p>2. Removal of District Chairman</p>	<p>Article II – Members Section 4 – District Chairman Subsection D – Removal of District Chairman</p>
--	--

Strike out "special". Insert "and voting" after "present".

A majority of PCs within a District may petition the MCRC Chairman to call a ~~special~~ meeting of the District Committee for the purpose of removing the District Chairman of that District. At such a meeting, in which a quorum is present, a majority of PCs present **and voting** may remove the Chairman of the District.

If adopted will read: A majority of PCs within a District may petition the MCRC Chairman to call a meeting of the District Committee for the purpose of removing the District Chairman of that District. At such a meeting, in which a quorum is present, a majority of PCs present and voting may remove the Chairman of the District.

Rationale: Because the number of members present in a room is constantly changing, "present *and voting*" is the standard voting procedure prescribed by RONR, which allows the majority to be determined from the actual number of votes cast. Otherwise, because the number of members present in a room is constantly changing, it is impossible to determine whether a majority is obtained when the vote is close.

3. PC Injunction & Lawfare	Article II - Members Section 2 - PCs Subsection F (new) - Injunctions and Improper Use of Lawfare
----------------------------	--

Insert new subsection in Article II Section 2 as shown below.

Precinct Committeeman are elected officials of a private political organization, and as such, injunctions may not be used to prevent Precinct Committeeman from conducting the work or duties of their office. Per A.R.S. 12-1802. Prohibition upon granting injunctions for certain purposes. An injunction shall not be granted: (6) To prevent the exercise of a public or private office in a lawful manner by the person in possession.

If a Precinct Committeeman files an injunction or lawsuit with a court, against another member or against a member organization and the defendant ultimately prevails because the claim is dismissed or finally adjudicated as frivolous, groundless, vexatious, or brought in bad faith, then the member responsible for filing the injunction will lose their voting privileges. The member who filed the injunction will be prohibited from attending any meetings, including LD meetings, EGC meetings, and any other county or LD Republican sponsored events.

Once the MCRC Executive Board has received a copy of the official injunction filed and a copy of the judgement, the member shall lose all privileges provided:

1. The member was provided written notice mailed via certified US mail to the member's last known address,
2. The member was provided an opportunity to defend himself at the next EGC meeting but not less than 10 days after notification,
3. The EGC by majority vote removed the member's voting rights.

The member will be removed from any and all affiliation with the MCRC, shall no longer have any standing, support, or endorsement and shall no longer use or represent themselves as an MCRC member. The member will also be prohibited from attending any future meetings, including LD meetings, EGC meetings, and any other county or LD Republican sponsored events.

Rationale: The members of this party have witnessed repeated attempts to use lawfare—weaponized litigation and abusive injunctions—as a tool to silence political opposition within the party, to block duly elected grassroots officers from performing their statutory and constitutional duties, and to paralyze official party business. Such tactics waste enormous amounts of time and money and invite excessive judicial interference in the internal affairs of a private political association.

4. LD Proxy Limit	Article II – Members Section 7 Proxies (new)
-------------------	---

Insert new Section 7 as listed below.

- A) At all District meetings, members shall be entitled to vote in person or by proxy where permitted.
- B) The proxy must be carried by a precinct committeeman currently residing in the same Precinct, and must be signed by a Notary or two (2) witnesses other than the proxy carrier and the PC.
- C) The proxy shall be substantially the same as the one found attached to these Bylaws (see Appendix I for proxy form) and shall be used at all meetings, and in the event that a member should not be in possession of a printed form, may copy and execute the same as if it were an official form issued by the MCRC.
- D) No precinct committeeman shall carry more than one (1) proxy at any District meetings. Districts may set a lower proxy limit.

Rationale: Limiting proxies will preserve grassroots democratic control, prevent fraud, and stop the abuse of proxy voting by individuals or factions who collect large numbers of proxies from absent or disengaged members in order to seize control of the Party without the participation of the broader membership.

5. Mandatory Resignation	Article III – Officers Section 1 – Elected Officers Subsection F (new) – Mandatory Resignation
Insert new Subsection F as shown below.	
<p>F. Mandatory Resignation</p> <p>An MCRC officer must resign his MCRC officer position upon:</p> <ol style="list-style-type: none"> a) election to a paid elective office b) accepting or holding a compensated position for a campaign committee for a paid elected office c) accepting or holding a compensated position for a political action committee d) accepting or holding a compensated position for an independent expenditure committee e) accepting or holding a compensated position for a 501c4 organization 	
<p>Rationale: MCRC PCs deserve total dedication and focus from the officers they elect. This bylaw change is important in order to ensure that officers are dedicated to the role they were elected by us to without bias, conflict of interest or the appearance of a conflict of interest. This will ensure they maintain their total attention to the mission and scope of responsibility we elect them to without divided allegiances.</p>	

6. Member-At-Large (MAL) Duties	Article III – Officers Section 3 – Duties of Elected Officers Subsection F (new) - Members At Large
Insert new Subsection F as shown below.	
<p>The duties of the MCRC Members at Large (MALs) shall include but not be limited to:</p> <ol style="list-style-type: none"> 1. Perform duties assigned by the MCRC Chairman or by the Bylaws of the MCRC, 2. Shall attend all EGC and board meetings, 3. Keep each Legislative District assigned to them by the MCRC Chairman informed on County Party matters and help in these districts when needed and assigned by the MCRC Chairman, 4. Actively assist in special projects and committees as directed by the Chair, including but not limited to: <ol style="list-style-type: none"> a. Voter Registration Drives (e.g., National Voter Registration Day) b. Meet the Candidate forums c. Ballot curing initiatives d. Phone banking operations e. Electioneering activities f. PC Recruitment g. Fundraising 5. Personally attend all MCRC events designated as mandatory by the MCRC Chairman (Lincoln Day Luncheon, Statutory and Mandatory Meetings, fundraisers, townhalls, etc.) and actively serve in an event organizing/planning role assigned by the MCRC Chairman. 6. Keep PCs informed about organizational developments, decisions, and opportunities for involvement. 7. Provide a quarterly report at the EGC on the performance of their duties and responsibilities. 	
<p>Rationale: Member at Large is not just a title; it is a leadership position with real work attached. Parties that treat it that way are the ones that win elections and make a difference in electing Republicans.</p> <p>Whereas the bylaws provide duties for the Chair, Vice Chairs, Treasurer and Appointed Officers, there are no duties outlined for the Members-At-Large (MALs). It is imperative at this very critical moment in our political landscape, it is essential that every officer position contributes meaningfully to the mission of supporting District Chairs, equipping Precinct Committeemen (PCs) with the tools necessary to win elections. This bylaw amendment ensures MALs aren't "floating" positions but are clearly tied to support, leadership, and facilitation of our mission; to keep our Republic and get Conservatives elected.</p>	

7. No Proxies in MCRC Meetings	Article IV - Nominations & Elections Section 3 - Proxies, and Article VIII - Committees Section 2 C - Proxy Rules
--------------------------------	--

Strike out Art. IV Sec. 3 in its entirety and insert "Proxy voting must not be used in MCRC Statutory, Mandatory, or Special Meetings." Strike out Article VIII in its entirety. Make conforming changes to remove all references to proxy voting in Statutory, Mandatory, or Special Meetings.

Art. IV Sec. 3 - Proxies
~~A. At all meetings of the MCRC, members shall be entitled to vote in person or by proxy.
The proxy must be carried by a precinct committeeman currently residing in the same Precinct, and must be signed by a Notary or two (2) witnesses other than the proxy carrier and the PC.
The proxy shall be substantially the same as the one found attached to these Bylaws (see Appendix I for proxy form) and shall be used at all meetings, and in the event that a member should not be in possession of a printed form, may copy and execute the same as if it were an official form issued by the MCRC.
D. No precinct committeeman shall carry more than one (1) proxy in the MCRC Statutory and Mandatory meetings.~~

Proxy voting must not be used in MCRC Statutory, Mandatory, or Special Meetings.

~~Art VIII Sec 2C – Proxy Rules
C. Proxy Rules
1. All proxies shall be delivered to the designated member of the Credentials Committee for the respective district.
2. In the event that more than one (1) proxy is named by the same person, the proxy bearing the latest date and hour of signing will be honored by the Credentials Committee, provided that the proxy is deemed valid and legal.
3. All proxies shall be delivered prior to the final closing of registration.~~

If adopted will read: Proxy voting must not be used in MCRC Statutory, Mandatory, or Special Meetings.

Rationale: Proxy voting is an election-integrity nightmare, and tens of thousands of dollars in legal fees have been spent resulting from disputes over proxy handling. Even the Arizona Democrats prohibit proxy voting in their meetings. Proxy voting dramatically increases the time required to produce a Credentials Report, delaying the start of business substantially. Proxy voting slows down meetings, as voice votes cannot legitimately be taken when proxy votes are present. And proxy voting violates the fundamental principle of one-man-one-vote. This amendment applies solely to meetings of the MCRC; it does not affect LDs.

8. Non-Republican Endorsements	Article VI – Executive Guidance Committee Section 5 – Elections Neutrality Subsection B - Endorsements of Non-Republican Candidates
--------------------------------	--

Strike out "holding an elected position".

No member of the MCRC shall lend an endorsement to a non-Republican candidate in any election that has a Republican candidate on the ballot, and any MCRC member ~~holding an elected position~~ who publicly supports, campaigns, or endorses any candidate from any party other than the Republican party shall lose all privileges provided: ...

If adopted will read: No member of the MCRC shall lend an endorsement to a non-Republican candidate in any election that has a Republican candidate on the ballot, and any MCRC member who publicly supports, campaigns, or endorses any candidate from any party other than the Republican party shall lose all privileges provided: ...

Rationale: This rule should apply to all MCRC members, not just MCRC members who hold an elected position.

8 PROPOSED RESOLUTIONS APPROVED BY THE MCRC RESOLUTIONS COMMITTEE (13-2) TO BE VOTED UPON BY PCs
AT THE 2026 MCRC MANDATORY MEETING | PAGE 1/2

1) Free and Equal Elections Co-Origins: Christophe Hamel and Tony Mileto (LD2) | Whereas the MCRC is greatly concerned about the security, reliability, and potential for technical malfunctions or hacking associated with electronic voting machines (EVMs) used in Arizona elections; Whereas our fellow citizens demand greater accountability and transparency in the electoral process, including election results that can be independently verified by voters and election observers; Whereas the use of EVMs presents challenges in ensuring the verifiability of votes, the security of voter data, and the robustness of election systems against cyberattacks; Whereas paper-based systems, e.g. hand-counted ballots at the precinct level, have a longstanding tradition of providing a transparent, auditable, and verifiable method of voting that enhances voter confidence in the electoral process; and Whereas hand-counted ballots provide the opportunity for public scrutiny and transparency, reduce the risk of technical failure or tampering, and offer greater security against unauthorized access to voting data; now, therefore, be it Resolved, that the MCRC hereby urges the Arizona State Legislature to immediately: 1) Ban Electronic Voting Machines: EVMs, including direct recording electronic (DRE) machines, optical scan systems, and any other form of electronic or computerized voting systems, shall be prohibited in all elections conducted throughout Arizona. 2) Adopt Precinct-Level Voting with Pre-Printed, Water-Marked, Hand-Counted, Paper Ballots: Arizona elections shall be conducted using paper ballots, which shall be manually counted under split-party observation at the precinct level. Precincts shall maintain an open, transparent, and secure process for collecting, verifying, and counting votes, with results made available on the same day.

2) Resolution Promoting the Establishment of Duties for MCRC Members-at-Large Originator: Patty Porter (LD12) | Whereas the MCRC Bylaws identify 5 Members-at-Large (MALs) being elected countywide to represent the body of MCRC Precinct Committeemen (PCs); Whereas although the MCRC Bylaws prescribe Duties for the 5 MCRC Executive Officers (Chair, 1VC, 2VC, Secretary & Treasurer), no Duties are prescribed for MALs; Whereas Duties should be prescribed for MCRC MALs to promote servant leadership, support PCs, and facilitate the MCRC Objective and Mission to “Keep Our Republic” and get Conservatives elected; now therefore be it Resolved, that we the MCRC Precinct Committeemen hereby call upon the MCRC to: 1) establish a checklist of prescribed Duties to be fulfilled by the MALs immediately upon the adoption of this Resolution and the election of MALs, for the full duration of their 2-year terms; and 2) the aforementioned Duties will include, but not be limited to: a) Planning and Executing Events and Programs; b) Voter Registration Drives (e.g. National Voter Registration Day); c) Meet the Candidate Forums; d) Ballot Curing Initiatives; e) Phone Banking Operations; e) Electioneering Activities; f) PC Recruitment; g) PC Training; h) Assist Poll Observer Recruitment, Training and Administration as assigned by the Chair; i) serve on a Committee or Subcommittee at Statutory & Mandatory Meetings as assigned by the Chair; j) be assigned to 4 Legislative Districts to routinely visit and engage with PCs, keeping PCs informed about organizational developments, decisions, and opportunities for involvement; and k) provide a Quarterly Report for the MCRC EGC on the performance of their Duties and Responsibilities.

3) The Maricopa County Republican Committee (MCRC) Calls Upon the Arizona State Legislature and Elected Government Officials to Take Action Protecting Arizonans from Unauthorized Climate and Weather Modification Originator: LD3 (Presented by Melissa Price—LD3) | Whereas consistent with Article II of the Arizona Constitution, Arizona citizens are empowered to take action in the pursuit of all available legal remedies asserting Arizona’s sovereign authority; Whereas based upon this authority under the Tenth Amendment of the U.S. Constitution—“the powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people”—and in accordance with the Ninth Amendment—“the enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people”—Arizona must affirm its commitment to protecting the liberties and constitutional rights retained by its citizens; Whereas based upon widespread visual evidence of sky pollution, we call for halting practices to which “We the People” of Arizona do NOT consent; Whereas the use of—and exposure to—toxic chemicals frequently results in catastrophic consequences to the health and well-being of Arizonans; and Whereas the ecological effects to animals, trees, bees, and soil—brought about by artificially altered weather patterns, acid rain flash floods, aluminum snow, chemical ice nucleation, and more—the unpredictable repercussions of geoengineering far outweigh the unproven claimed benefits: ethical considerations deem these practices to be “playing God”; now therefore be it Resolved, that the MCRC hereby calls upon the Arizona State Legislature to support proposed legislation requiring transparency and protecting the people of Arizona from harmful climate and weather modification programs.

4) Public-Private Partnership (PPP) Contracts Must be Open and Transparent, Subject to Public Oversight, Audits, and Corrective Action Plans (CAPs) Originator: Jamie Weinbauer Martin (LD13) | Whereas absolute power corrupts absolutely, a danger to civil society, good governance is based upon the rule of law, proven transparency, and accountability; Whereas public trust is never built upon blind faith, intermediary agents at the Arizona Department of Administration’s General Services Procurement Office—responsible for reviewing compliance with all applicable laws and statutes—serving as guardrails and safety nets, ensure that the terms and conditions of Public-Private Partnership (PPP) contracts are being adhered to; Whereas when the terms and conditions of PPP contracts are not adhered to for whatever reason—under whatever circumstances—and contingency plans provided for in the contract fail to remedy the situation, then what once started out as a good plan “on a road paved with good intentions” turns into a “runaway tractor trailer speeding downhill without brakes”; Whereas the only last resort standing in the way of catastrophic mission failure is the

“emergency escape ramp” that is the Corrective Action Plan (CAP); and Whereas a CAP: a) identifies problems, b) gathers and verifies information and data, c) determines direct, root, and contributing causes; then 1) determines corrective actions, both specific and preventive; 2) makes missions mistake- and error-proof, 3) ultimately making it virtually impossible for errors to occur or makes errors immediately obvious; now therefore be it Resolved, that the MCRC hereby calls upon the Arizona State Legislature to establish laws mandating that all Public-Private Partnership contracts throughout all Arizona government jurisdictions shall institute Contract Compliance Oversight and Corrective Action Plan protocols.

5) MCRC Promotes Long-Standing Principle Mandating Only U.S. Citizens Eligible and Qualified for Elective Office, Precinct Committeeman, and State Committeeman Originator: Tristan Manos (LD5) | Whereas it is basic common sense that a Citizen possesses only one Citizenship and only one corresponding Oath of Allegiance for only one Nation at a time; Whereas in running for Elective Office or Precinct Committeeman in Arizona, one must submit a Nomination Paper Declaration of Qualification stating, “I will have been a citizen of the U.S. for (#) years before my election and have been a citizen of Arizona for (#) years before my election”—never mentioning foreign citizenship; Whereas the Citizenship Requirement is therefore singular and exclusive; Whereas elected officials “solemnly swear or affirm [to] bear true faith and allegiance to the Constitution of the U.S. and the Constitution and laws of Arizona”—likewise singular and exclusive; Whereas the Naturalization Oath of Allegiance to the United States—“I hereby declare, on oath, that I absolutely and entirely renounce all allegiance and fidelity to any foreign state of which I have heretofore been a subject or citizen”—is inherently incompatible with the notion of “dual citizenship”; and Whereas “dual citizens” taking an oath of office to serve and represent Arizona government elective offices or Precinct Committeeman and State Committeeman positions while simultaneously claiming partial allegiance or “belonging” to a foreign nation is absurd on its face; now therefore be it Resolved, that the MCRC hereby commits to uphold and promote the principle that only U.S. Citizens possessing singular U.S. citizenship shall be eligible and qualified for Arizona Elective Office, Precinct Committeeman, and State Committeeman.

6) MCRC to AZLeg: Just Say “NO” to Crypto Originator: Tristan Manos (LD5) | Whereas “Cryptocurrency” is defined by Webster’s Dictionary as “any form of currency that only exists digitally, usually has no central issuing or regulating authority, uses a decentralized system to record transactions and manage the issuance of new units, and is dependent upon cryptography to prevent counterfeiting and fraudulent transactions”; Whereas the similarities between government-regulated Black Box Voting Machines and government-regulated Cryptocurrency are most concerning; Whereas it is important We The People’s Elections return to REAL Election Integrity: eliminating Black Box Voting Machines and returning to the open and transparent hand counting of pre-printed paper ballots—the physically seeable, touchable, and easily understandable “currency” of electoral “assets”; Whereas a wide-ranging multitude of “grave” Cryptocurrency concerns are self-evident: based upon an artificial digital construct, extremely volatile, minimal consumer protection, irreversible transactions, prevalence of fraud and scams, security vulnerabilities, regulatory uncertainty, lack of intrinsic value—Crypto is the fiat of fiat currency—“fiat” meaning “because I say so”; Whereas, “Why would a government once based upon a Gold Standard—now the Dollar—hype up Crypto while downplaying the Dollar’s most realistic and strongest competitor—Gold—as central banks stockpile Gold reserves?”; and Whereas physical Gold and Silver—established since antiquity as “Natural Law Currency”—store REAL intrinsic value and represent REAL Fiscal Integrity; now therefore be it Resolved, that the MCRC hereby urges the Arizona State Legislature to: 1) stop drafting superficial, hyped-up, trendy, and controversial Cryptocurrency bills, and 2) return its attention to addressing—and safeguarding—We The People’s REAL interests: REAL Integrity, REAL Elections, and REAL Money.

7) Thank You, Charlie Kirk Originator: Tristan Manos (LD5) | Whereas Charlie Kirk played a great and uniquely special role in providing an overall principled, patriotic, and humanitarian service to the United States of America, the America First Movement, and American Civil Society; now therefore be it Resolved, that the MCRC hereby expresses its profound and sincere appreciation, admiration, and gratitude to Charlie Kirk.

8) MCRC Resolution Endorsing President Donald J. Trump’s March 25, 2025 Executive Order 14248: “Preserving And Protecting The Integrity Of American Elections” Originator: MCRC Resolutions Committee (Presented by Logan Busch—LD22) | Whereas honest and secure elections are the foundation of our constitutional Republic, ensuring that only eligible citizens decide the future of this great nation; Whereas widespread fraud, noncitizen voting, and unverifiable ballots erode public trust and threaten the rightful outcome of every election; Whereas President Donald J. Trump’s Executive Order 14248—issued March 25, 2025—enforces proof of citizenship for voter registration, prioritizes prosecution of illegal voting, protects against foreign interference, and directs states to eliminate widespread unsolicited mail-in balloting in favor of secure, in-person voting with limited, verified absentee exceptions; Whereas the Executive Order declares, “Elections must be honest and worthy of the public trust. That requires voting methods that produce a voter-verifiable paper record allowing voters to efficiently check their votes to protect against fraud or mistake”; and Whereas ending mass mail-in voting and returning to proven, verifiable election procedures is essential to restoring confidence in our electoral system; now therefore be it Resolved, that the Maricopa County Republican Committee hereby: 1) strongly endorses Executive Order 14248 and calls for its immediate and full implementation; 2) urges the elimination of widespread mail-in ballots; and 3) calls for the immediate restoration of Election Day voting as the primary method to guarantee only lawful votes are counted.
